BIOGRAPHY & RESUME

Arantxa Astudillo is a visual artist based in the heart of the Silicon Valley. Her and her family immigrated from Chile when she was only 8 years old. In 2019 she received a Bachelors of Fine Arts in Digital Media Art, San Jose State University, Ca. She also holds an Associates Degree in Child Development from Foothill College, Ca. Astudillo’s interdisciplinary artwork varies from video, photography, 3d modeling and lighting, coding and programming, robotic, drawing, painting, and sculptural. As an immigrant, world traveler, and environmentalist Astudillo incorporates a variety of cultures and animal rights activism into her work. Her art often addresses current environmental issues in hopes to raise questions and awareness.

SUMMARY

Dynamic and motivated visual artist with over two years of experience in digital mediums such as: 3D modeling and lighting, videography and editing, and web design . Excellent team leader, collaborator, demonstrating strong communication and organization skills. Able to execute projects from concept to completion.

EDUCATION

- Digital Media Art - BFA - San Jose State University , San Jose, CA 2019
- Child Development - AA - Foothill College, Los Altos, CA 2016

EXPERIENCE

- Domestic Assistant & Tutor, Los Altos, CA 2016- 2020
 - Designed and coached unique educational approaches that proved successful for the family’s 3 children.
 - Coordinated schedules with parental collaboration, reducing stress and increasing members’ productivity.
- Art Instructor, The Creative Learning Loft, Redwood City, CA 2012- 2016
 - Applied art therapy principles to develop and lead art projects for over 60 students aged 5-10, based on the proper use of color theory, pencil, charcoal, acrylic paints, clay art and other art mediums.
 - Exceeded parental expectations by improving children’s mood, calming the body and mind, and amplifying the advantages of a project oriented mindset; which translated into student’s educational workflow.

SKILLS

Prototyping Software

- | | | | |
|---------------------|-----------|--------------|-------------|
| • Sketch | • Blender | • Arduino | • Maya |
| • Adobe Illustrator | • Unity | • Processing | • Fusion360 |
| • Adobe Photoshop | | | |

Programming/Scripting Languages

- | | | | |
|--------|-------|------|------------|
| • JAVA | • C++ | • C# | • HTML/CSS |
|--------|-------|------|------------|

Videography Tools

- | | | | |
|---------|-------------------|----------------------|-----------------------|
| • DSLR | • Drone | • Adobe Premiere Pro | • Adobe After Effects |
| • GoPro | • Audio Equipment | | |

Machinery/Crafting

- | | | | |
|--------------|---------------|--------------|----------------|
| • CNC Carver | • Solder iron | • 3D Printer | • Laser Cutter |
|--------------|---------------|--------------|----------------|

ACCOMPLISHMENTS

- Osher CCC Transfer Student Scholarship - San Jose State University 2017
- Makers Faire, San Mateo, CA 2019
 - Showcased in the global fair of innovative and self made technology.
 - Built and programmed an interactive robot using Arduino, time to distance sensor, servos
 - View at <https://vimeo.com/375579474>.
- SquidWars, Itch.io 2018
 - Designed objects with Illustrator, programmed with Unity, and published a computer game
 - Now available at <https://arantxastudio.itch.io/squidwars>.
- GetJenergy, Sunnyvale, Ca 2017
 - Produced, directed, filmed, synced music and edited a marketing advertisement for GetJenergy.
 - Increased website viewings by 20% and generated over 25 Facebook shares,
 - Available to view at <https://vimeo.com/249214278>.
